

# Florian Kiem

Designer & Developer

## Work Experience

### Freelance / Videoeditor

*Jun. 2015–Feb. 2020*

Participated in producing videos for international influencers that were seen over 14 million times.

### Comondo / Webdesigner

*Feb. 2020–Mar. 2021*

I worked for a local agency where I've created over 50 websites in a good year with the CMS Wordpress.

### HfG Schwäbisch Gmünd / Webdesign Tutor

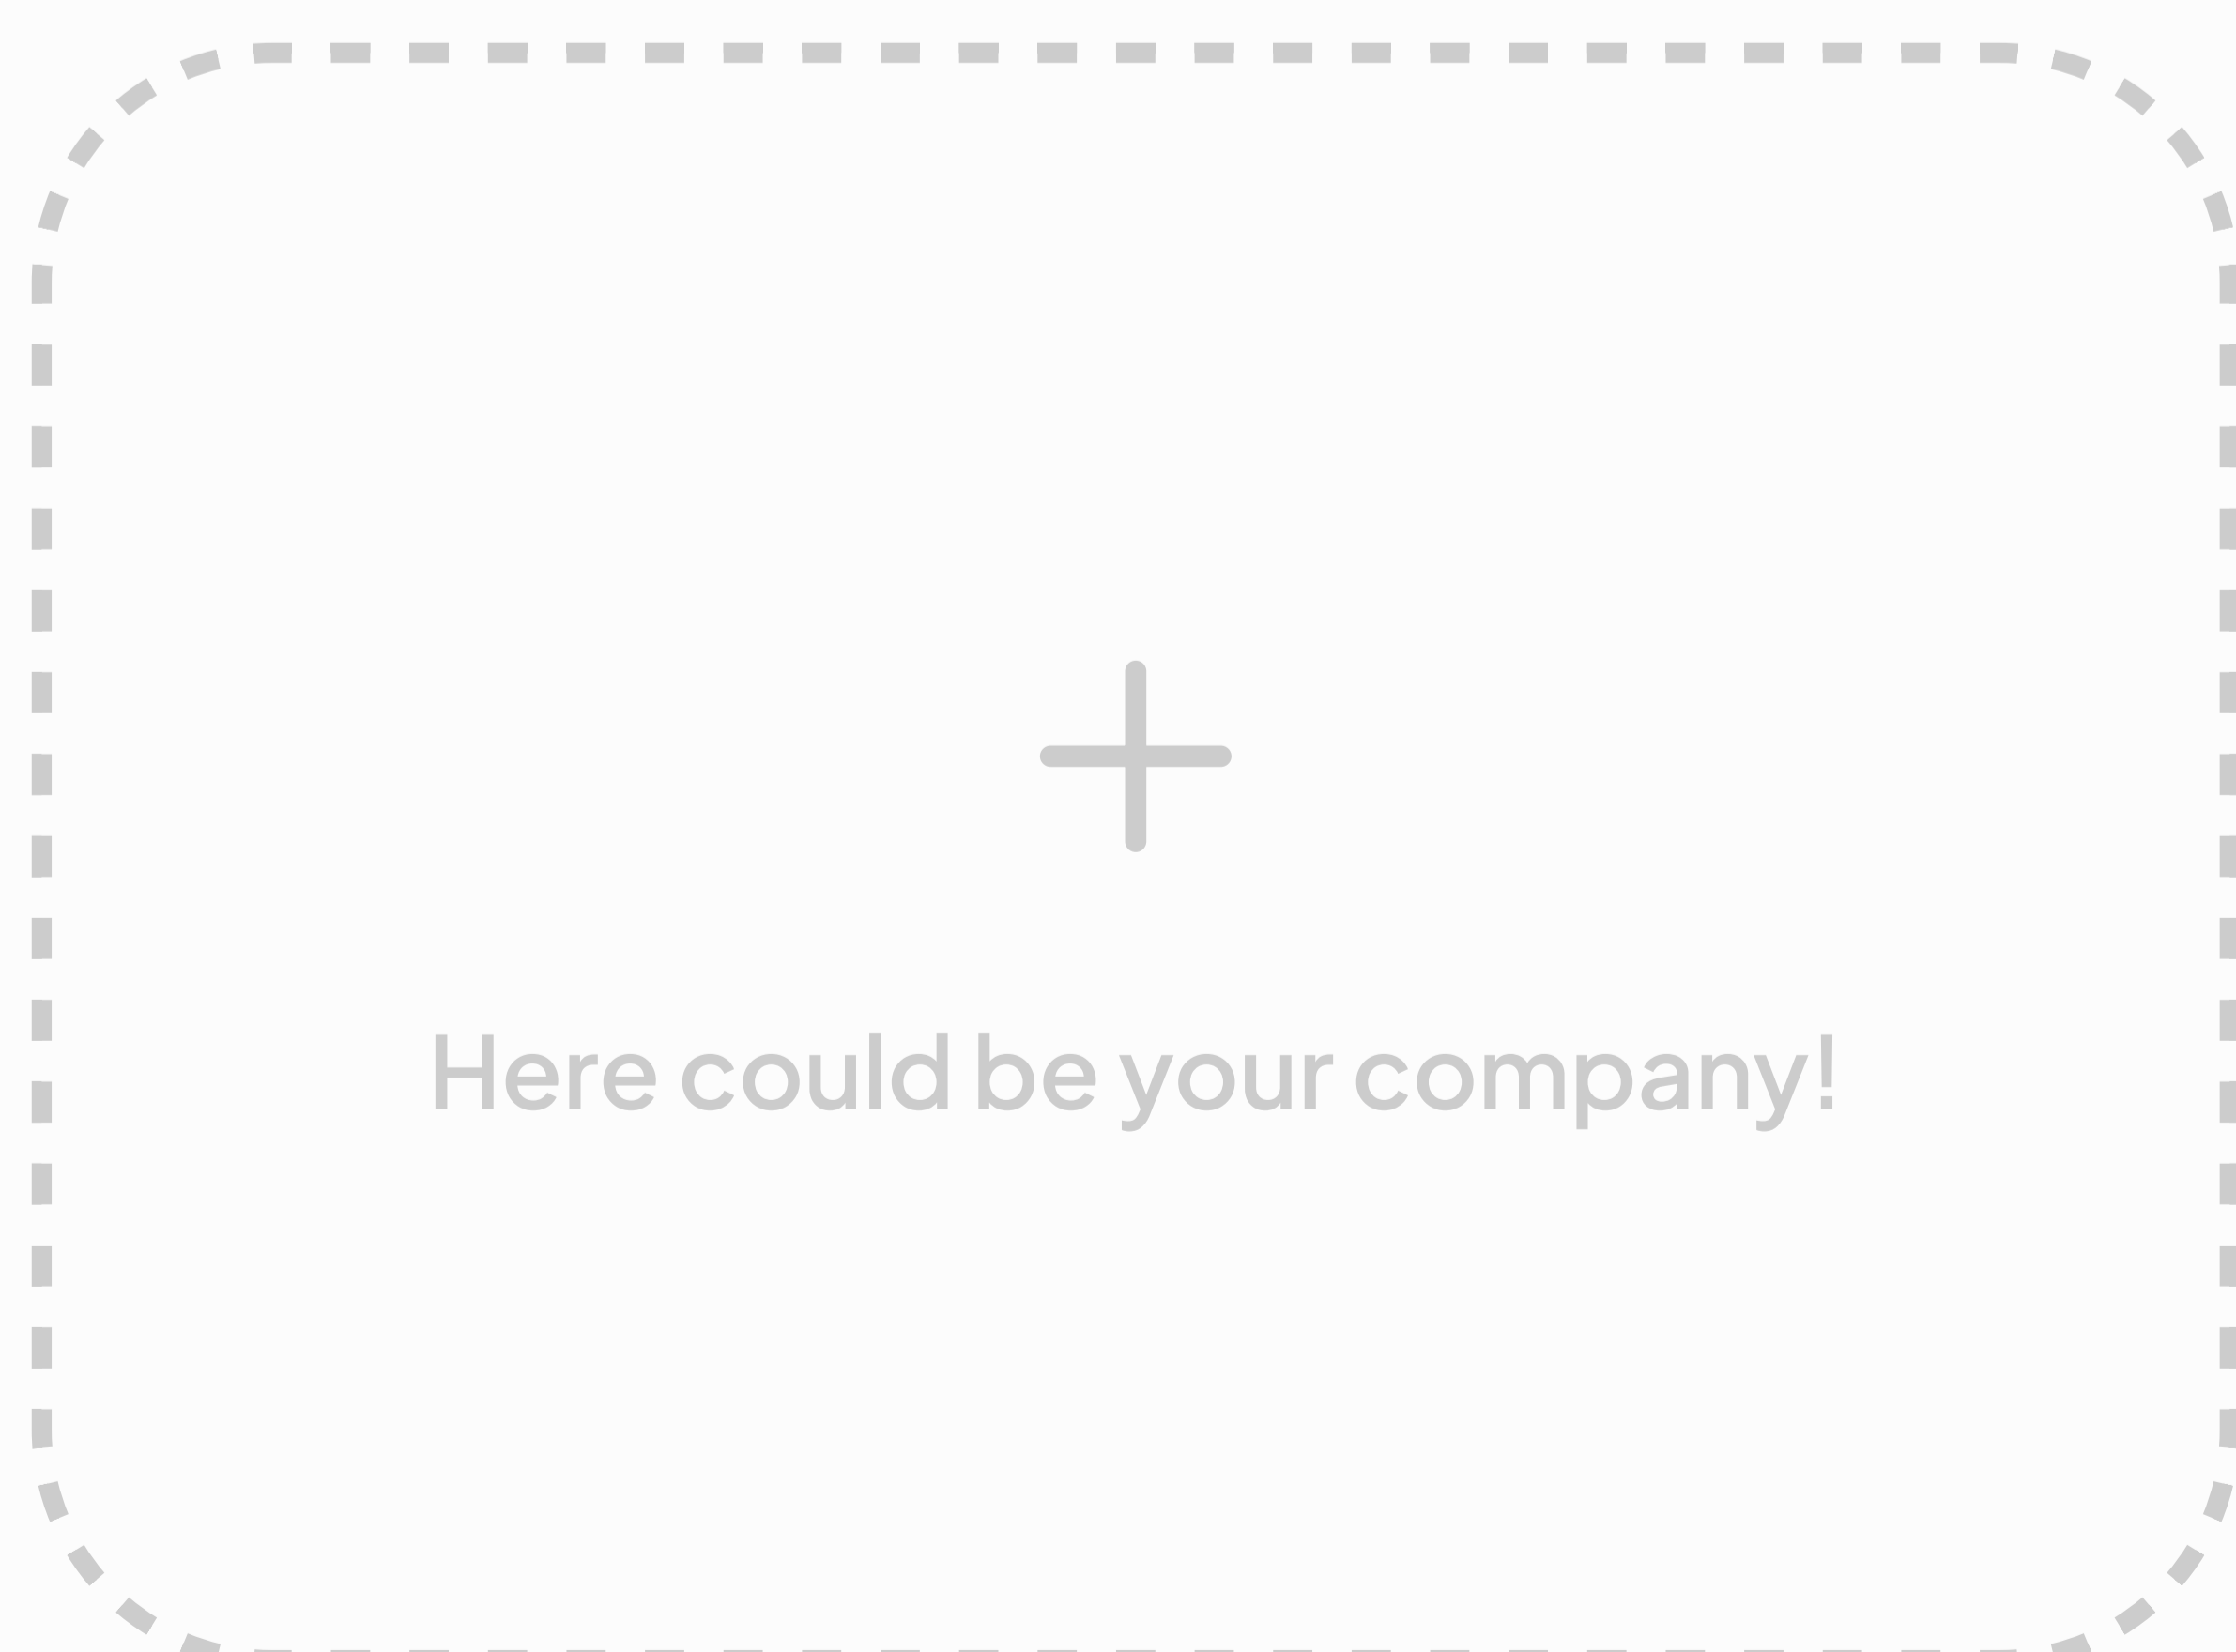

*Mar. 2022–Mai. 2022*

I taught other students how to use the tool Webflow in order to create websites such as Portfolios.

### Metahype / Digital Strategist and Designer

*Dec. 2020– Today*

Together with a friend I founded Metahype in early 2020. The goal was to help companies getting settled in the digital world.
